Official Statement

Ref #: **GMO E -1**

Non-GMO / OFFICIAL STATEMENT

Macco's Products, including **calcium acetate**, **calcium propionate**, **potassium acetate**, **potassium benzoate**, **sodium acetate**, **sodium benzoate**, **sodium diacetate** and **sodium propionate**, manufactured at its Valleyfield facility, are the result of chemical syntheses involving only pure chemical substances, also originating from chemical processes, and are not Genetically Modified Organism products (GMO), are not derived from GMO, are not derived from any vegetal, animal or microorganism sources, are free from ingredients / additives / processing aids made with the use of GMO technologies and do not contain, use or involve, at any point of the process, genetically modified products, organisms or enzymes. Furthermore, no products of GMO origin are stored on our premises.

The above-mentioned products are manufactured and sold in compliance with EC regulations 1829/2003 and 1830/2003, and do not require GMO labeling.

Macco's manufacturing facility is a FDA bioterrorism, FSMA and C-TPAT registered facility that operates under an ISO 9001 Quality System, an FSSC 22000 ISO Food Safety System (GFSI approved) and in compliance with food GMP. Macco's facility is audited yearly.
