Official Statement

Ref #: **SO E-1**

## **Synthetic Origin / Official Statement**

Macco's products, including *Calcium Acetate*, *Calcium Propionate*, *Potassium Acetate*, *Potassium Benzoate*, *Sodium Acetate*, *Sodium Benzoate*, *Sodium Diacetate* and *Sodium Propionate*, manufactured at its Valleyfield facility, are not of *vegetal, animal, micro-organic or alcohol-generating micro-organic* origin.

Macco's products are the result of chemical syntheses that use only pure chemical substances and do not involve *alcohol*, substances of *vegetal, animal, micro-organic* or *antibiotic* origin. Our knowledge and controls of our incoming raw materials, manufacturing processes, handling, storage and shipping of our products enable us to ensure that there is no potential for *alcohol* and contaminants of *vegetal, animal, micro-organic* or *antibiotic origin* to be present in any of our products. Macco facility does not handle or store antibiotics.

For the reasons described above, Macco's products are *suitable for vegetarian, lacto/ovo-restricted vegetarian* and *vegan diets*.

Macco's manufacturing facility is a FDA bioterrorism, FSMA and C-TPAT registered facility that operates under an ISO 9001 Quality System, an ISO Food Safety System FSSC 22000 (GFSI approved) and in compliance with food GMP. Macco's facility is audited yearly.
