Welcome to the World of Mineral Salts

Macco Organiques, s.r.o. is a leading producer and supplier of inorganic salts for IV and dialysis solutions, pharmaceuticals, biotechnology, infant formulas, nutritional supplements, veterinarian preparations, mineralised and bottled water and for personal care.

To attain our high quality levels and maintain the trust given to us by our customers, suppliers and regulators, we have our own on-site laboratories that include research and development facilities to test and continuously improve all aspects of our production. With our own technical sales and support teams, every product development project or order is in our own hands from the initial contact through to final delivery.

We are the Leader in Dust Free Ingredients

Macco Organiques Inc. was formed in 1986 to acquire the assets of a long-standing chemical manufacturing company in Valleyfield (Quebec) producing propionates, benzoates and acetates. Since then, Macco has increased capacity many times and focused on serving the Food & Pharmaceutical Industry. In 1988, Macco developed a revolutionary technology to dry and process all ingredients into a dust-free powder form that remains free flowing without caking or clumping for extended periods of time.

Macco Organiques has received worldwide recognition for producing only high quality dust free products with this unique technology, as acetates, propionates and benzoates. Macco is ISO 9001 registered and GFSI FSSC - 22000 certified.

Products

Calcium Chloride 2Hy
Calcium Carbonate
Calcium Hydroxide
Calcium Sulphate 2Hy
Magnesium Chloride 6Hy, 4.5Hy
Magnesium Sulphate 2Hy, 3Hy, 7Hy
Magnesium Oxide
Potassium Chloride
Potassium Hydrogen Carbonate
Potassium Nitrate
Potassium Sulphate
Sodium Chloride
Sodium Sulphate Anhydrous
Sodium Hydrogen Carbonate
Sodium Carbonate
Sodium Acetate 3Hy
Zinc Sulphate 1Hy, 7Hy
Ammonium Sulphate

Applications

Dialysis Solutions & Dry Concentrates
Pharmaceuticals
Biopharmaceutical Industry
Injection & IV Solutions
Bottled & Mineralised Drinking Water
Infant Formulas & Baby Food
Nutritional Supplements
Veterinarian Preparations
Health Care

Certification

GMP Q7 • FDA inspected • ISO 9001
FSSC 22000

Registrations

MHLW & PMDA Japan • Jap DMF
