

The background is a vibrant, abstract composition of overlapping geometric shapes in shades of yellow, orange, green, and blue. Faint, stylized symbols for various minerals are scattered throughout: a star-like shape with 'Mg' in green, a circular shape with 'K' in yellow, a circular shape with 'Na' in green, a circular shape with 'NH4' in green, a circular shape with 'Ca' in blue, and a circular shape with 'Zn' in blue.
